### **First Batch of Medical Supplies from IGG has Arrived Wuhan Subsequent 1.8 Million Pieces of Medical Supplies in Transit**

(31 January 2020 – Hong Kong) IGG, a globally renowned mobile game developer and publisher, is actively purchasing medical supplies to support the growing number of people in need. Following the arrival of the first batch of medical supplies in Wuhan, IGG has successfully purchased subsequent 1.8 million pieces of medical supplies. We are currently preparing this batch of medical supplies for shipment.

In light of recent developments, IGG has successfully purchased over 1.8 million medically-approved surgical masks through its subsidiaries in Brazil, Japan, Indonesia, Russia etc. This batch of medical supplies are expected to arrive in China in the near future and will be delivered to the epidemic areas as soon as possible.

*IGG Brazil has prepared a batch of medical supplies, to be shipped to China.*

*IGG teams around the globe have teamed up to support Wuhan.*

IGG has established a US\$500,000 fund for the procurement of medical supplies to support Wuhan and other epidemic areas. As of 31 January, the first batch of medical supplies has safely arrived at Wuhan Union Hospital yesterday. This batch contains 61,200 disposable sterile surgical gloves and 1,300 surgical masks. IGG US has successfully purchased and delivered the first batch of 1,200 N95 masks to The First Affiliated Hospital of Zhejiang University.

*IGG US has successfully purchased and delivered 1,200 N95 masks to The First Affiliated Hospital of Zhejiang University.*

IGG has cooperated with the Fujian Province Medical Team to support Wuhan and other epidemic areas. We will respond to the request immediately and offer our full support to medical institutions.

– END –
